

I SWA会長 Jeff Cooper 氏から今回の災害について、次の通りお見舞いのメールが届きました。

Dear Goro Sasaki

On behalf of the International Solid Waste Association I would like to express our sympathy to you and your staff and members who have been affected by the natural disasters earlier this week and the continuing problems of the nuclear plant at Fukushima.

We hope that you and all your staff and their families are safe and well.

We will be thinking of you and the difficulties you are facing and hoping that these will be resolved as soon as possible.

With our best wishes

Jeff Cooper

President, ISWA
